Design Notes

Basic Editorial Template

These are the basic elements that will be persistent through the whole web site.

The pages width will be fixed at 960px, and centered on the page.

Logo: The Pixel Home logo will function as

- 1 a link back to the Home Page from anywhere on the site. Use designate include file.

Top Level Navigation: Breaks down the site

- 2 into six basic sections:
 - About
 - Usability (Work in progress)
 - Photography gallery
 - Web Design Gallery
 - 3D gallery
 - Contact

Section Title: Self explanatory

- 3

Main Content Area.

- 4

Page Footer: Consistent through the entire

- 5 site. Shows copyright information and Quick Links to contact site webmasters. If any disclaimer is necessary it should appear at this level. Exceptions may apply.
